

FLOOR STENCIL SUPPLIES

Few supplies are needed and can be obtained at your local craft shop and hardware store.

Pattern (MB Historic Décor)

Paint of your choice – Jo Sonja water-based, which we now carry,
or Japan oil paints from Stencilease 1-800-334-1776

Brushes – we carry assorted sizes of Royal Stencil brushes

Spray adhesive for the back of the stencil

Masking tape, Scotch tape, automotive tape (gives a crisp line when stenciling against it)

Measuring tape and wooden or a cork back yard stick

Indelible fine point pen (if pattern is more than one color)

Pencil/eraser

Paper towels (Bounty brand)

Palette paper (or styrofoam trays)

Palette knife or craft (Popsicle) stick

Plastic wrap to cover exposed paint and wrap brushes

Chalk line or thread when painting all over floor patterns

Newspapers, paper bags for trash

Paint solvent – water for Jo Sonja paints, paint thinner for Japan oil paints

ScotchBrite and Simple Green to clean stencil or bristle brush and thinner for oil paints

Folded towel to kneel on

#400 Sandpaper

Damp cloth

Optional: card table

Polyurethane, water base – Jo Sonja for small floor clothes; or oil base or water base by the gallon for large floors

Stenciled floors are often given from 1 – 3 coats of brown antiquing stain and kept carefully coated afterward as wear begins to show. Jo Sonja paints mixed with their mediums can create a transparent stain to give an antiqued appearance.
